

Strippers

CABLE END STRIPPERS

Cable End Stripper, 0.2 - 6mm²

Cable end stripper for conductors 0.2 - 6mm².

- Self adjusting ergonomic pistol design
- Will not damage conductors
- Will not leave "witness marks" on insulation
- Length: 200mm
- Weight: 140g

KUS1

Cable End Stripper, 2.5mm - 6mm²

Low cost cable end stripper and cutter. For conductors 2.5mm - 6mm². Has a built in depth gauge and adjustment for soft or hard insulation. Good for flat cables.

- Length: 170mm
- Weight: 200g

KUS2

Cable End Stripper, 1.0 - 3.2mm²

Low cost cable end stripper which is spring loaded with graduated slots. Conductor stripping range. Tried and tested design. 1.0 - 3.2mm². Built-in depth gauge.

- Length: 180mm
- Weight: 350g

KUS4

Cable End Stripper, 0.5 - 2mm²

Low cost cable end stripper, which is spring loaded with graduated slots. It strips finer wires than the KUS4. Conductor range of stripping is 0.5 - 2.0mm². Has an optional depth gauge.

- Length: 180mm
- Weight: 380g

KUS4A
