

## CLEVERTRONICS L10 LIFELIGHT SURFACE MOUNT EMERGENCY, BLACK (ZONWORKS XT HIVE)

### PRODUCT INFORMATION

|                       |                                                                                 |
|-----------------------|---------------------------------------------------------------------------------|
| Catalogue Number      | LLIFE-SM-HV-BLK                                                                 |
| MIC                   | AUD02810110001                                                                  |
| Description           | L10 Optimum Lifelight, High Performance, Surface Mounted Emergency Light, Black |
| Construction          | Polycarbonate Enclosure                                                         |
| Mounting              | Surface Mounted                                                                 |
| Dimensions L x W x H  | 242mm x 125mm x 48mm                                                            |
| Weight                | 0.6kg                                                                           |
| Operating Mode        | Non-maintained                                                                  |
| Testing System        | Zoneworks XT HIVE (RF)                                                          |
| Battery               | Lithium Nanophosphate, 3.3V 2500mAh                                             |
| Charging Method       | Intelligent Current Limited Constant Voltage                                    |
| Lamp(s)               | 1 x High intensity LED                                                          |
| Operating Voltage     | 240V AC; 50Hz                                                                   |
| Power Consumption     | 1.3 Watts (Standby), 2.7 Watts (Max)                                            |
| IP Rating             | IP20                                                                            |
| Operating Temperature | 1°C to 40°C                                                                     |
| AS2293 Classification | C <sub>0</sub> =D40 C <sub>90</sub> =D40                                        |

### REPLACEMENT PARTS

| PART NUMBER | DESCRIPTION                              |
|-------------|------------------------------------------|
| 1530071     | BATTERY:L10 3.3V 2.5AH 200mm Id, no Brkt |
| 8003190     | PCA: RF Node CT10678-Ax internal antenna |
