

Bench Pedestal

At a glance...

- Size: 85 x 50mm
- Outlets: Standard size
- Stock Colours: Natural Anodised
- Suitable for: Category 6A Cabling

- The BP8550 Pedestal is designed to be mounted to a bench top where wall fixing is not possible. Ideally suited for use in laboratories.
- The upstand column is a rectangular shaped extruded aluminium section, invisibly secured to the bench with a metal foot plate having 4 off M6 studs 45mm long.
- Suitable for Category 6 data cabling.
- Designed to accommodate standard size power and voice / data outlets.
- The BP8550 Pedestal is supplied natural anodised as standard. An extensive range of powder coated colours are available to order.
- This product has been examined in accordance with AS 3000 and A.C.M.A. requirements.
- Made in Australia.
