

Backmount Frame T=11

Backmount Frame used for the mounting of Series 2 or HighBand® modules. BMF 1 and 2 way, T=11mm (depth). 1 way = 1 module space. Therefore, these frames have the capacity to accommodate 1 or 2 modules respectively.

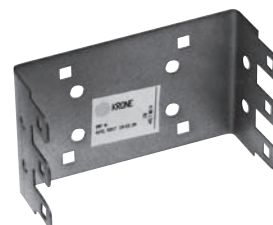

Backmount Frame, 1 way

Ordering Information

Description	Quantity	Product No.
Backmount Frame, 1 way	Box of 1	6450 3 137-00
Backmount Frame, 2 way	Box of 1	6450 3 004-00

Backmount Frame T=22

Backmount Frame used for the mounting of Series 2 or HighBand® modules. BMF 2, 3, 4, 6 and 11 way, T=22mm (depth). 1 way = 1 module space. Therefore, these frames have the capacity to accommodate 2, 3, 4, 6 or 11 modules respectively.

Backmount Frame, 3 way

Ordering Information

Description	Quantity	Product No.
Backmount Frame, 2 way	Box of 1	6450 3 025-02
Backmount Frame, 3 way	Box of 1	6450 3 025-03
Backmount Frame, 4 way	Box of 1	6450 3 025-04
Backmount Frame, 6 way	Box of 1	6450 3 025-06
Backmount Frame, 11 way	Box of 1	6450 3 025-11

Backmount Frame T=30

Backmount Frame used for the mounting of Series 2 or HighBand® modules. BMF 6 and 10 way, T=30mm (depth). 1 way = 1 module space. Therefore these frames have the capacity to accommodate 6 or 10 modules respectively.

Backmount Frame, 6 way

Ordering Information

Description	Quantity	Product No.
Backmount Frame, 6 way	Box of 1	6450 3 025-56
Backmount Frame, 10 way	Box of 1	6450 3 025-60
