

CAT. N° 0 414 16

**BELL - FOR INDUSTRIAL AND ALARM USE - IP44 - IK10 - 24 V~ - Ø150 MM GONG**

Pack (number of units)	1
Volume (dm <sup>3</sup> )	2,38
Weight (g)	1 013,00

**Product characteristics**
**Class I**

- Double insulated
- Polyester corrosion resistant finish
- 200 hours maxi. continuous rating

**IP 44 - IK 10**

- Ø 150 mm gong
- RAL 7037 Grey
- Voltage : 24 V~
- Consumption : 360 mA
- Average acoustic output at 1 m : 98 dB
- Weight : 1 kg

**General characteristics**
**Bells for industrial and alarm use**
**Documentation**

**Catalogue pages & additional information**
