Output Modes

36+1 powerful LEDs produce 3 brightness levels. With 16 hours runtime at 500 effective lumens and 8 hours runtime at 1000 effective lumens. Torch spotlight produces 100 effective lumens.

Rechargeable

With fast USB-C charging via built-in charging port and compact docking station, charging is made even easier. This ensures the light is always charged ready for use.

Versatile

Ideal for workshops, commercial and industrial environments. Featuring a sealed integrated switch, two heavy-duty magnets and a metal swivel hook for hands free operation.

Durable

Durable and shock resistant body tested to IK07 impact resistant levels, a virtually unbreakable polycarbonate lens and weatherproof rubber housing (IP65) chemically tested to resist oils and fuels.

100 Lumen Torch

Virtually Unbreakable

Charging Dock & Power Adaptor

100 Lumen Torch

Concealed swivel hanging hook

USB-C Charging

Easy access On/Off switch

Hold power button for 2 seconds to see battery level

2 x Heavy-duty magnets allow for hands-free operation

Ergonomic grip
