

# CABLE COVER

FOR SUPERIOR SOLUTIONS

## Cable Protection and Early Warning:

Protection is of vital importance when dealing with electricity, which is why Icon Plastics Cable Cover is the Superior Solution.

Damage to buried cables can not only be costly and inconvenient, but very dangerous. When installed above cables, Icon Plastics Cable Cover provides a safety barrier for personal excavating in the immediate vicinity as well as providing an early visual warning.

## Level of Protection:

Icon Cable Cover complies with Australian Standards AS4702.2000, Polymeric Cable Protection Covers.
