Product Details

Product Description

Stud finder i520

Multifunction Wall Scanner with CenterVision Technology, Ultra-Bright Display Screen, and Auto Correcting Technology MultiScanner i520 OneStep quickly and easily locates studs and joists behind walls, floors, and ceilings.

It also locates metal as well as live AC electrical wiring.

A 4-mode switch makes it easy to change functions, while the ultra-bright display screen, SpotLite Pointing System, and audio tone all indicate the location of the target.

The signal strength indicator helps to distinguish between shallow and deep targets.
